

**IN THE UNITED STATES DISTRICT COURT FOR  
THE EASTERN DISTRICT OF PENNSYLVANIA**

**UNITED STATES OF AMERICA,**

*Plaintiff,*

v.

CIVIL ACTION NO. 22-5055

**INHANCE TECHNOLOGIES LLC,**

*Defendant.*

**Notice of 15-Day Suspension of the SNUN Review Period**

Plaintiff the United States of America (“United States”), on behalf of the United States Environmental Protection Agency (“EPA”), files this Notice of a 15-day suspension of the review period for the Significant New Use Notices (“SNUNs”) that Defendant Inhance Technologies LLC (“Inhance”) has submitted to the EPA. The applicable review period for Inhance’s SNUNs is now scheduled to expire on October 31, 2023.

On August 23, 2023, the Court held oral argument on the motions filed by Inhance to dismiss the complaints filed by the United States and the Intervenor-Plaintiffs alleging past and continuing violations of the Toxic Substances Control Act (“TSCA”), 15 U.S.C. § 2601 *et seq.* (ECF Nos. 10, 40), the motion for partial summary judgment filed by the United States (ECF Nos. 37, 49, 51, 52, 54), and the motion for summary judgment and injunctive relief filed by the Intervenors-Plaintiffs. (ECF Nos. 42, 50, 53). At the conclusion of the oral argument, the Court asked to be informed “if there are any developments on the regulatory front” and of “the significance of [such] development.” Transcript of Oral Argument at 115:7-15.

In accordance with the Court’s request, the United States has filed several previous notices regarding suspensions of the SNUN review period that Inhance has sought and which

EPA has agreed to under 40 C.F.R. § 720.75(b)(2). ECF Nos. 56, 63, 64.<sup>1</sup> The last such notice advised that the review deadline for the SNUNs was October 16, 2023. ECF No. 64.

The United States submits this Notice to inform the Court that on October 12, 2023, a representative of Inhance submitted a letter to EPA requesting that EPA suspend the review period for its SNUNs by 15 additional days. *See* Ex. 1 (SNUN Review Suspension Request Letter, October 12, 2023). According to the suspension request letter, Inhance has provided supplemental information to EPA, and the agency indicated on October 11, 2023, that it seeks additional time to review this information. *Id.* EPA granted Inhance's request to suspend the SNUN review period by additional 15 days.

Therefore, the applicable review period for Inhance's SNUNs is now set to expire on October 31, 2023. The United States will continue to inform the Court if there are further suspensions or an extension of the review period.

Respectfully submitted,

Dated: October 16, 2023

**FOR THE UNITED STATES OF AMERICA**

**TODD KIM**  
Assistant Attorney General  
Environment and Natural Resources Division  
United States Department of Justice

---

<sup>1</sup> The United States and Inhance jointly filed the first such notice. ECF No. 56.
